

## Categorization of Next Generation Nanomaterials

November 30<sup>th</sup> – December 1<sup>st</sup>, 2017

Crowne Plaza Brussels – Le Palace

Brussels, Belgium

### Conference Programme

#### November 30<sup>th</sup> – Thursday (Room: Vision, 8<sup>th</sup> Floor)

**08:00** Registration and Welcome Coffee / Tea (Vision lobby)

**08:50** Opening and Welcome

John Rumble (CODATA)

**09:00** Opening Keynote: New perspectives on understanding future nanomaterials

Kenneth Dawson (University College Dublin, Centre for BioNano Interactions)

**Session 1:** Is categorization important? (Session Chair: John Rumble)

**09:25** Establishing context

John Rumble (CODATA)

**Perspective: Industry**

**09:30** Scott Brown (ChemMours)

**09:45** Jacques-Aurélien Sergent (Solvay)

**Perspective: Environment**

**10:00** Andrej Kobe (European Commission Directorate-General for Environment)

**10:15** Willie Peijnenburg (RIVM – National Institute for Public Health and Environment)

**10:30** Coffee / Tea Break (Vision lobby)

**Perspective: Regulatory**

**10:45** Yan Yan (University College Dublin, Centre for BioNano Interactions) –  
Can science provide novel tools? A case study

**11:00** Neil Hunt (The REACH Centre)

**11:15** Takis Daskaleros (European Commission Directorate-General for Health and Food Safety)

**Perspective: Non-Governmental Organizations**

**11:30** Doreen Fedrigo-Fazio (ECOS – European Environmental Citizens Organization for Standardization)

**Perspective: Consumer Products**

**11:45** Trey Thomas (U.S. Consumer Product Safety Commission)

**12:00** Birgit Sokull-Kluettgen (European Commission Joint Research Centre)

**12:15** **Lunch (Vision lobby)**

**Session 2: Perspectives towards consensus (Standards) (Session Chair: John Rumble)**

**13:15** Fred Klaessig (ASTM Committee E56 on Nanotechnology)

**13:30** Jean-Marc Aublant (CEN/TC 352 Nanotechnologies)

**13:45** Guanglu Ge (National Technical Committee on Nanotechnology Standardization Administration of China (SAC/TC 279))

**14:00** Charge to Breakout Groups

**14:15** **Breakout I: Defining and prioritizing needs**

Group	Room
A	Vision, 8 <sup>th</sup> floor
B	Clarity, 8 <sup>th</sup> floor
C	Serenity, 2 <sup>nd</sup> floor

**15:45** **Coffee / Tea Break (Vision lobby)**

**16:15** **Breakout 2: Creating sustainable progress**

Group	Room
A	Vision, 8 <sup>th</sup> floor
B	Clarity, 8 <sup>th</sup> floor
C	Serenity, 2 <sup>nd</sup> floor

**17:45** End of Day 1

## December 1<sup>st</sup> – Friday (Room: Vision, 8<sup>th</sup> floor)

<b>08:30</b>	<b>Morning Coffee / Tea (Vision lobby)</b>
<b>09:00</b>	<b>Keynote 2: Why making progress on categorization is needed</b> <u>Peter Kearns</u> (OECD Working Party on Manufactured Nanomaterials)
	<b>Reports from Breakout Sessions presented by session chairs</b>
<b>09:25</b>	Groups from Breakout 1
<b>09:55</b>	Groups from Breakout 2
<b>10:25</b>	General discussion on Breakout reports
<b>11:00</b>	<b>Coffee / Tea Break (Vision lobby)</b>
<b>11:30</b>	<b>Keynote 3: Why categorization is needed now</b> <u>Georgios Katalagarianakis</u> (European Commission Directorate General for Research and Innovation)
<b>11:55</b>	<b>Panel Discussion: Creating international cooperation (Session Chair: Peter Kearns)</b> <u>Maria Doa</u> (U.S. Environmental Protection Agency) <u>Doreen Fedrigo-Fazio</u> (ECOS – European Environmental Citizens Organization for Standardization) <u>Guanglu Ge</u> (China National Centre for NanoScience and Technology) <u>Peter Kearns</u> (OECD Working Party on Manufactured Nanomaterials) <u>Andrej Kobe</u> (European Commission Directorate-General for Environment)
<b>13:00</b>	<b>Closing Remarks</b> <u>Kenneth Dawson</u> (University College Dublin, Centre for BioNano Interactions)
<b>13:15</b>	<b>Conference Close &amp; Lunch (Vision lobby)</b>
